Power through prayer and laying on of hands

- *And it happened that the father of Publius lay sick of a fever and dysentery. Paul went in to him and prayed, and he laid his hands on him and healed him. Acts 28:8*
- Daily prayer – Lord, I ask You to heal me by the stripes that Jesus bore for my physical healing. (Lay your hands on your ears.) I give my ears to You and I ask you to open them and remove the ringing and whooshing sounds so that I may hear Your word without distraction. My faith is in You, but I ask You to send this nutrition to where it is needed to support my hearing and general well-being.
