Power through prayer and laying on of hands

- *And it happened that the father of Publius lay sick of a fever and dysentery. Paul went in to him and prayed, and he laid his hands on him and healed him. Acts 28:8*
- *Eph 4:16 from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love. Joints are held together with connective tissue. Biblical joints (relationships) are held together by love.*
- Daily prayer – Lord, I ask You to heal me by the stripes that Jesus bore for my physical healing. (Lay your hands on your heart and joints.) Therefore in Jesus name I speak to my joints to be made whole, strong, without pain, and to be completely restored by the power of Your word. I ask You to send this nutrition to where it is needed to support the health of my joints and overall well-being.
