- *Long term issues with fear have been associated with kidney challenges.*
- Daily prayer – Lord, I ask You to heal me by the stripes that Jesus bore for my physical healing. (Lay your hands on your heart and your kidneys.) Therefore in Jesus name I speak to my kidneys to be made clean, sanctified, and completely restored by the power of Your word. I tell fear to leave because Your word says that You have not given me a spirit of fear, but of power, love, and a sound mind. (2Timothy 1:7) I ask You to send this nutrition to where it is needed to support my general well-being.
